CODER'S FACEOFF

# **ABOUT IIIT UNA**

Indian Institute of Information Technology Una (IIIT Una), established in 2014, is an Institute of National Importance located in Saloh, Himachal Pradesh. It operates under a Public-Private Partnership (PPP) model, with joint funding from the Ministry of Human Resource Development (Government of India), the Government of Himachal Pradesh, and industry partners such as H.P. Power Corporation and H.P. Power Transmission Corporation.

IIIT Una is dedicated to nurturing bright minds by providing quality education and advanced technical skills. The institute plays a crucial role in preparing students for real-world challenges, ensuring they are well-equipped to address technical and societal issues at both national and global levels. With a focus on innovation, research, and holistic development, IIIT Una aims to empower future leaders who can contribute to the growth and progress of the country and beyond.

# **ABOUT MERAKI**

MERAKI, a Greek word, signifies putting your soul, creativity, and passion into your work, leaving a part of yourself in it. It's the Technical Festival of IIIT Una, renowned since its inception for its engaging blend of innovation, skills, and fun. It provides a platform to showcase your creativity, innovation, and unique abilities. MERAKI'25 marks the 3rd edition of this incredible fest to take place from April 2nd to 4th, 2025.

The festival features a wide range of events, including Robo-Drive, Sold Mold, Prog-thon. From high-energy competitions to fun-filled activities, MERAKI offers an unforgettable experience. In addition to thrilling contests, the festival hosts insightful workshops and hands-on sessions on various tech and non-tech topics, encouraging skill development and innovation. Immerse yourself in this dynamic environment and be part of the excitement at MERAKI 2025!

# EVENT DETAILS

## Event Description:

Coder's Face Off is a frontend development competition designed to challenge participants in accurately converting Figma designs into fully functional web and mobile application interfaces. The event will test participants' proficiency in frontend technologies, evaluating their ability to create pixel-perfect, responsive, and structured UI components.

**Date:** 3rd April 2025

**Time:** 3:00 pm to 5:30 pm

**Venue:** Academic Block Lab 104 & 105

**Team Structure:** Individual Competition

# EVENT FORMAT

- Each team receives a Figma design for web or app interface based on their preference and converts it into a working frontend.
- Two challenges or twists will be introduced midway, requiring participants to modify their design accordingly.
- Allowed Languages & Frameworks: HTML, CSS, JS, React, Tailwind CSS, Flutter, React Native.

# ***RULES & REGULATIONS***

- This is an individual event.
- The event will be judged on accuracy , attention to detail.
- The Figma designs will be released on the day of event.
- Use of internet and AI assisted Tools like ChatGPT, Claude and CursorAI is prohibited.
- Decisions announced by the coordinators is final.

# PREREQUISITES

- For Web UI : You should have an account on Vercel or any other deployment website (like Netlify, AWS etc.) before the event.
