MYSTERY-OPS

ABOUT IIIT UNA

Indian Institute of Information Technology Una (IIIT Una), established in 2014, is an Institute of National Importance located in Saloh, Himachal Pradesh. It operates under a Public-Private Partnership (PPP) model, with joint funding from the Ministry of Human Resource Development (Government of India), the Government of Himachal Pradesh, and industry partners such as H.P. Power Corporation and H.P. Power Transmission Corporation.

IIIT Una is dedicated to nurturing bright minds by providing quality education and advanced technical skills. The institute plays a crucial role in preparing students for real-world challenges, ensuring they are well-equipped to address technical and societal issues at both national and global levels. With a focus on innovation, research, and holistic development, IIIT Una aims to empower future leaders who can contribute to the growth and progress of the country and beyond.

ABOUT MERAKI

MERAKI, a Greek word, signifies putting your soul, creativity, and passion into your work, leaving a part of yourself in it. It's the Technical Festival of IIIT Una, renowned since its inception for its engaging blend of innovation, skills, and fun. It provides a platform to showcase your creativity, innovation, and unique abilities. MERAKI'25 marks the 3rd edition of this incredible fest to take place from April 2nd to 4th, 2025.

The festival features a wide range of events, including Robo-Drive, Sold Mold, Prog-thon. From high-energy competitions to fun-filled activities, MERAKI offers an unforgettable experience. In addition to thrilling contests, the festival hosts insightful workshops and hands-on sessions on various tech and non-tech topics, encouraging skill development and innovation. Immerse yourself in this dynamic environment and be part of the excitement at MERAKI 2025!

EVENT DETAILS

Event Description:

Mystery-Ops is an immersive escape room-style competition that blends technology and problem-solving. Teams will face a series of interactive challenges, testing both technical skills and strategic thinking. Only the best will advance through multiple stages, overcoming themed obstacles to emerge victorious.

Date: 4th April 2025

Time: 1:30 pm - 2:45 pm

MERAKI

EVENT FORMAT

The event consists of two rounds:

Round 1: Elimination Round:

A tech buzzed mind game to qualify for the ultimate escape room experience.

Round 2: Themed Rooms:

- Teams navigate through four uniquely themed rooms, solving a mix of technical and non-technical challenges.
- Progression through each room depends on successfully completing the given tasks.
- The team that clears all rooms the fastest or scores the highest wins
